

Small Lettering Guarantee

This *SMALL LETTERING SUCCESS* Certificate guarantees your satisfaction on small lettering embroidery designs when you apply the concepts explained on the accompanying article called *Mastering Small Lettering*, written by Daniel Fucci from Sierra Technology Group, and provided to you along with this certificate.

** Applies to EO v11 users subscribed to any Extended Support Plan*

"I feel so confident that you will successfully improve the quality of all your small text embroidery when you follow examples and concepts explained on my Mastering Small Lettering article, so much that I will personally help you, at no charge, with your next three (3) designs with small lettering, whether it's editing your file or digitizing it for you!"
